

Hosted by the **Maryland Emergency Management Agency (MEMA)**, in conjunction with the **Department of Homeland Security and Texas Engineering Extension Service, Texas A&M University System.**

You are Invited to Attend

Disaster Preparedness for Community Infrastructure: Hospitals and Healthcare Organizations-MGT341

Disaster Preparedness for Community Infrastructure:

Hospitals and Healthcare Organizations

This course brings together individuals from the hospital and healthcare community who are responsible for ensuring the resiliency of healthcare services during a high consequence or catastrophic event within a jurisdiction. Through a focus on preparedness processes and activities, this course provides an opportunity to acquire the knowledge, skills, and abilities necessary to help them ensure the sustainability of their facilities and organizations during all types of disasters. Participants will be better qualified to participate in preparing for, responding to, and recovering from a natural or man-made incident which impacts their facilities, systems, employees, and ability to care for incident victims.

Course Information:

Date: November 30, 2010 Time: 8:30 AM
